*Psychosocial Rehabilitation is a comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public*

domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for intervention effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction. Millions of adults have divorced parents. Choose a Better Path provides thought-provoking, helpful, and healing information for adult children of divorce in a user-friendly format. Through workshops, interviews, articles, and international radio programs, Kent Darcie helps adults with divorced parents apply God's healing to triggers, fears, trust issues, anger, father hunger, unforgiveness, and the fallout from gray divorce (empty-nest parents splitting up). As a researcher, author, speaker, therapist, and adult with divorced parents, Kent brings a wealth of information and tools to those who struggle when dealing with parents, steps, ex-steps, and the menagerie of players that come and go in the years that follow the divorce. While never bashing or demeaning divorced parents or others, Kent does tackle

*the tough and often subtle issues that damage the relationships and marriages of adult children of divorce. If you, or someone you know, have divorced parents, reading Choose a Better Path is an important step toward breaking the cycle of divorce. Henry Sewall, son of Henry Sewall and Margaret Gresbrook, was baptized 8 April 1576 in Coventry, Warwickshire, England. He died in Rowley, Massachusetts in 1655/6. Ancestors, descendants and relatives lived mainly in England, Massachusetts, New York and Maine. 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.'* Goodreads reviewer, 5 stars

*Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are*

*forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey - but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of Girl with a Pearl Earring, The Miniaturist and The Indigo Girl. WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What readers are saying about The Company Daughters: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' Goodreads reviewer, 5 stars 'From the moment I started reading The Company Daughters, I was captivated by this historical tale. Although it does contain a love story, it's not a romance...This was a gripping read.' Goodreads reviewer 'This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book*

*and I found it very moving.' Goodreads reviewer 'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.' Goodreads reviewer 'I love historical fiction, and this book touched on a topic and time I knew nearly nothing about...There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.'* Goodreads reviewer *'The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.'* Goodreads reviewer, 5 stars *'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.'* Goodreads reviewer *'A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram!'* Goodreads reviewer *'Heartbreaking... a moving book... vivid, with amazing characters... This is a great read.'* Goodreads reviewer *Written by a practicing business attorney with startup experience in the environmental and technology sectors, this comprehensive handbook assists entrepreneurs in tackling the wide variety of opportunities to go green. A one-stop resource for entrepreneurs, it helps readers incorporate clean technology, environmental practices, and green business approaches into the work environment. The book discusses how to sell to utilities, explores fundraising outlets for green businesses, covers government incentives, presents key startup tools aimed*

at green businesses, and addresses challenges of many new businesses, such as raising money and making sales. Additional resources are available on the book's website. Rehabilitation should not stop when the disabled person is discharged from hospital, and many neurological patients require ongoing rehabilitation in order to maximize their functional abilities, minimize complications and promote full participation at home and in the community. This book analyses community rehabilitation needs from many different perspectives, including the views of disabled people, rehabilitation clinicians and service providers. Many examples of community rehabilitation schemes are presented, with evidence for their effectiveness, and case studies are used to highlight the main issues. The authors take an international view, and there are chapters dealing with the disabled child in the community and with neuropsychological rehabilitation. This important book examines the growing trend towards community rehabilitation in neurology and is directed towards all clinicians involved with neurorehabilitation.

*involved, she can't stay... Business Communication is the newest Business Communication textbook that was created with students and professors needs in mind. A unique approach to a hands-on course, written by the co-authors of Business Communication: Making Connections in a Digital World, 12/e, provides both student and instructor with all the tools needed to navigate through the complexity of the modern business communication environment. If a picture is worth a thousand words, then it's a good bet that at least half of those words relate to the picture's copyright status. Art historians, artists, and anyone who wants to use the images of others will find themselves awash in byzantine legal terms, constantly evolving copyright law, varying interpretations by museums and estates, and despair over the complexity of the whole situation. Here, on a white—not a high—horse, Susan Bielstein offers her decades of experience as an editor working with illustrated books. In doing so, she unsnarls the threads of permissions that have ensnared scholars, critics, and artists for years. Organized as a series of “takes” that range from short sidebars to extended discussions, Permissions, A Survival Guide explores intellectual property law as it pertains to visual imagery. How can you determine whether an artwork is copyrighted? How do you procure a high-quality reproduction of an image? What does “fair use” really mean? Is it ever legitimate to use the work of an artist without permission? Bielstein discusses the many uncertainties that plague writers who work with images in*

*this highly visual age, and she does so based on her years navigating precisely these issues. As an editor who has hired a photographer to shoot an incredibly obscure work in the Italian mountains (a plan that backfired hilariously), who has tried to reason with artists' estates in languages she doesn't speak, and who has spent her time in the archival trenches, she offers a snappy and humane guide to this difficult terrain. Filled with anecdotes, asides, and real courage, Permissions, A Survival Guide is a unique handbook that anyone working in the visual arts will find invaluable, if not indispensable. This is an overview of the fast-moving field of purinergic signalling through adenosine and ATP receptors. Authors are the leading authorities in their fields Subject matter is important for understanding tissue protection Subject matter is of intense interest for new drug development Orphaned at a young age, Erith Lock has a cruel upbringing at the hands of a harsh stepmother. At the tender age of sixteen, a ruthless act leaves her shattered, struggling for survival. When all she has is her word, she makes a solemn vow to three small children. But circumstances drastically change, and the promise could take years to fulfill. She fears it might be better broken. When her past must be confronted, Erith finds herself facing unbearable choices that resound with adversity and might cost her everything. Enduring self-doubt pushes Erith to her breaking point. Will she allow hope and kindness to guide her, or will it be safer to remain captive in the grip of her unfortunate past? The precise shape of a protein is a*

crucial factor in its function. How do proteins become folded into the right conformation? Molecular chaperones and protein folding catalysts bind to developing polypeptides in the cytoplasm and ensure correct folding and transport. This Guidebook catalogues the latest information on nearly 200 of these molecules, including the important class of heat shock proteins; each entry is written by leading researchers in the field.

*guide to drawing your favorite Nintendo heroes and villains. It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of*

it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. Days after his car erupts in a ball of flame, Nick Stone narrowly cheats death a second time when a gunman opens fire on him from the back of a motorcycle. Who knows his movements? Who wants him dead, and why? Stone's only chance of survival is to carry the fight to his attackers - but first he must uncover a trail of clues that leads from his own dark and complex past into the heart of a chilling conspiracy that threatens us all. While Universal's *Dracula* and *Frankenstein* (both 1931) have received the most coverage of any of the studio's genre releases, it is the lesser known films that have long fascinated fans and historians alike. Starting with *The Last Warning*, a 1929 movie released as both a silent and a talkie, Universal provided a decade of films that entertained audiences and sometimes frustrated critics. Each of Universal's horror, science fiction and "twisted mystery" films receives an in-depth essay for each film. The focus is first on the background to the making of the movie and its place in the Universal catalog. A detailed plot synopsis with critical commentary follows. Filmographic data for the film conclude the entry. Universal's *The Shadow* short film series is covered in an appendix. Many rare illustrations and movie posters are also included.
