**I Used to Have a Plan** Feb 26 2021 Balm for the soul—Alessandra Olanow offers advice, inspiration, and encouragement for anyone who needs a shoulder to lean on during a difficult time. “I Know This Too Shall Pass. (But It Would Be Helpful to Know When).” After a series of events left her a divorced single mother questioning herself, her relationships, and basically, everything she thought was true about her “picture-perfect” life, Alessandra Olanow began drawing and posting illustrations on Instagram that reflected her feelings and struggles to right her life. She chronicled her journey of healing, expressing the shock, delusion, denial, self-pity, and self-doubt she experienced and the self-empathy and forgiveness that ultimately helped her regain a sense of self—but stronger, more fearless, and more hopeful than before. Her charming illustrations and keen, memorable observations—struck a chord. Within a year, her audience grew dramatically, from 9,500 to 157,000 followers, including celebrities Katie Couric, Jennifer Garner, Elise Loehnen (chief content officer at Goop), the poet Joao Doederlein, and Joanna Goddard (founder of A Cup of Jo). I Used to Have a Plan brings Olanow's soothing sensibility to a wider audience, featuring new drawings and ideas that touch upon the universal experiences of unexpected change and loss. Divided into five parts—“I Didn't See That Coming,” “It's OK That You're Not OK,” “Where'd I Go,” “The Only Way Out Is Through,” and “I Like It Here, Can I Stay a While?”—the book beautifully encapsulates the experience of encountering difficulty, processing it and healing from it, and becoming stronger and with a better sense of self. Full of advice, commiseration, empathy, and wit that is comforting, helpful, direct, and remarkable in its truth, I Used to Have a Plan helps everyone through the painful yet ultimately uplifting process of healing. I Used to Have a Plan includes 75-100

illustrations.

*Stay* Mar 10 2022 Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix. Hailey can't resist the offer. Matt can't resist Hailey. Good thing he doesn't have to. Fire up the kiss cam! Warning: Contains rabid hockey fans, misunderstood dick pics, hockey players at the opera and exploding ovaries. **Death Waits in the Dark** Feb 09 2022 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
