Langton/Robbins/Judge, *Fundamentals of Organizational Behaviour*, 5ce is the most student-engaging book in the market. It makes *Organizational Behaviour* relevant to students, no matter what their background or work experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text.

Organizational Behaviour eBook PDF Jan 07 2022 This second European edition of this classic textbook brings the exceptional introduction to organizational behaviour written by the masters of the subject, and adapts it to meet the needs of students studying in Europe today. Fully updated and revised, this adaptation continues the tradition of making current, relevant research come alive for students, while maintaining its hallmark features – clear writing style, cutting-edge content and compelling pedagogy. This new edition offers real-life examples drawn from a global range of organizations including Google, Cadbury, Apple, Capital One, Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. Key features include: ‘Myth or science?’ boxes, which provide repeated evidence that common sense can often lead us astray in the attempt to understand human behaviour, and that behavioural research offers a means for testing the validity of common-sense notions. ‘OB in the news’ which prepares students to recognise and evaluate OB issues which often appear in the news when presented with them in newspapers, magazines, TV, etc. ‘Face the

facts': these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee engagement, and the popularity of working in teams. "As a whole, the content of the book is strong, and is well-structured with a European focus." Mohammad Lafiti, Uppsala University, Sweden

OB: The Essentials Sep 22 2020 Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organisational Behaviour text, *OB: The Essentials* is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books – this is not merely a subset of material from Robbin's Organisational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, *OB: The Essentials* will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.
