Dragons at Crumbling Castle Nov 17 2022 An illustrated collection of 14 short stories—featuring "dragons and

wizards, councilors and mayors, an adventurous tortoise and a monster in a lake, along with plenty of pointy hats and a few magic spells"— was written when the author was a teenaged newspaper reporter. 50,000 first printing.

**Hansel and Gretel Aug 14 2022** A poor woodcutter lives with his wife and two children, Hansel and Gretel. Weak-willed and easily manipulated, the wood cutter gives in to his overbearing, badgering wife who insists he abandons his children to the wilderness of the forest because, well, they eat too much food There, as they try and find their way home, Hansel and Gretel come across a beautiful sugar-spun, candy cottage and, as the fairytale goes, a horrendous, red-eyed witch who loves to dine on nice, fat children

**The Tale of Peter Rabbit (???????) Mar 29 2021**

**The Untold Story of the Talking Book Jan 27 2021** A history of audiobooks, from entertainment & rehabilitation for blinded World War I soldiers to a twenty-first-century competitive industry. Histories of the book often move straight from the codex to the digital screen. Left out of that familiar account are nearly 150 years of audio recordings. Recounting the fascinating history of audio-recorded literature, Matthew Rubery traces the path of innovation from Edison's recitation of "Mary Had a Little Lamb" for his tinfoil phonograph in 1877, to the first novel-length talking books made for blinded World War I veterans, to today's billion-dollar audiobook industry. **The Untold Story of the Talking Book** focuses on the social impact of audiobooks, not just the technological history, in telling a story of surprising and impassioned conflicts:

from controversies over which books the Library of Congress selected to become talking books—yes to Kipling, no to Flaubert—to debates about what defines a reader. Delving into the vexed relationship between spoken and printed texts, Rubery argues that storytelling can be just as engaging with the ears as with the eyes, and that audiobooks deserve to be taken seriously. They are not mere derivatives of printed books but their own form of entertainment. We have come a long way from the era of sound recorded on wax cylinders, when people imagined one day hearing entire novels on mini-phonographs tucked inside their hats. Rubery tells the untold story of this incredible evolution and, in doing so, breaks from convention by treating audiobooks as a distinctively modern art form that has profoundly influenced the way we read. Praise for *The Untold Story of the Talking Book* “If audiobooks are relatively new to your world, you might wonder where they came from and where they’re going. And for general fans of the intersection of culture and technology, *The Untold Story of the Talking Book* is a fascinating read.” —Neil Steinberg, *Chicago Sun-Times* “[Rubery] explores 150 years of the audio format with an imminently accessible style, touching upon a wide range of interconnected topics . . . Through careful investigation of the co-development of formats within the publishing industry, Rubery shines a light on overlooked pioneers of audio . . . Rubery’s work succeeds in providing evidence to ‘move beyond the reductive debate’ on whether audiobooks really count as reading, and establishes the format’s rightful place in the literary family.” —Mary

**Burkey, Booklist (starred review)**

**Boys Are Amazing! Dec 06 2021 ? BOYS ARE AMAZING! Short Stories for Boys about Self-Esteem, Confidence, and Inner-Strength | Present for Boys | Boys are amazing! A series of short stories designed to capture the imagination of any young boy, focusing on self-esteem, confidence and inner strength. If you're looking for an ideal gift for such a boy, then you need not look any further. Within the pages of this beautifully illustrated book, you'll find adventurous stories of courage and confidence. You'll not only find eight stories that are great for bedtime in this book, although they are that as well! You'll also discover eight morally rich stories that aim to inspire boys and help them to see themselves in the characters and their tales. We aim to inspire boys to believe in themselves as they grow and learn to focus on what's important. Inner strength, confidence and friendship. Within the following chapters, you'll find stories like; \* Jack, a quiet, dinosaur loving boy who finds himself the only one to save his class when they are accidentally transported back in time. \* Jason is determined to clean up his neighbourhood after one of his friends is hurt by some dumped trash. \* Richard, who must overcome his fears after an accident to save another. \* Mason who is scared of the dark, but determined to overcome his fears to go through the local haunted house at Halloween. \* And more! Entertaining and aspirational, Boys Are Amazing, is the perfect read for the brave boy in your life. A book full of enjoyable tales either to read on their own or to be read as a bedtime book to younger boys. This book is always ready for when you're**

**extracts' THE SIMPLE THINGS Introduced by Lucy Mangan**  
**\* \* \* Tales to soothe tired souls. A night time companion for frazzled adults, including calming stories and poems for a good night's sleep. \* \* \* This cheering book of best loved short tales, extracts and poems will calm and restore an anxious mind before sleep. A good night's sleep is essential for our well being and our health, but in our busy lives sleep is often poor and overlooked. Now is the time to stop a while and find consolation and wonder in other worlds where all is well and sleep just a page or two away. From classic stories by Oscar Wilde, Guy de Maupassant and Katherine Mansfield, to friendly tales of our childhoods, to poetry that reminds us of the simple joys of life, this lovingly curated book will soothe a tired mind and gently carry you to the peaceful land of sleep. So switch off, snuggle down and allow yourself to escape into new worlds and old; magical, mysterious and tender realms that will accompany you to your own sweet dreams.**

**Stories of Hope Sep 22 2020 Heather shares the story behind her inspirational writing journey and the defining experiences of her life, including her profound friendship with Lale, and explores how she learned to really listen to the stories people told her - skills she believes we can all learn**

**The Story of the British Isles in 100 Places Feb 14 2020**  
**"Everyone should have two copies - one for the car and one for the house to plan journeys. . . a reminder to think more about the places you pass and less about your route, because every British journey is through rich history."**

**(Edward Stourton) From much-loved historian Neil Oliver, comes this beautifully written, kaleidoscopic history of a place with a story like no other. The British Isles, this archipelago of islands, is to Neil Oliver the best place in the world. From north to south, east to west it cradles astonishing beauty. The human story here is a million years old, and counting. But the tolerant, easygoing peace we enjoy has been hard won. We have made and known the best and worst of times. We have been hero and villain and all else in between, and we have learned some lessons. The Story of the British Isles in 100 Places is Neil's very personal account of what makes these islands so special, told through the places that have witnessed the unfolding of our history. Beginning with footprints made in the sand by humankind's earliest ancestors, he takes us via Romans and Vikings, the flowering of religion, through civil war, industrial revolution and two world wars. From windswept headlands to battlefields, ancient trees to magnificent cathedrals, each of his destinations is a place where, somehow, the spirit of the past seems to linger.**

***Reading for Our Lives Aug 02 2021* An award-winning journalist and literacy advocate provides a clear, step-by-step guide to helping your child thrive as a reader and a learner. When her child went off to school, Maya Smart was shocked to discover that a good education in America is a long shot, in ways that few parents fully appreciate. Our current approach to literacy offers too little, too late, and attempting to play catch-up when our kids get to kindergarten can no longer be our default strategy. We have to start at the top. The brain architecture for reading**

**develops rapidly during infancy, and early language experiences are critical to building it. That means parents' work as children's first teachers begins from day one too—and we need deeper knowledge to play our positions. Reading for Our Lives challenges the bath-book-bed mantra and the idea that reading aloud to our kids is enough to ensure school readiness. Instead, it gives parents easy, immediate, and accessible ways to nurture language and literacy development from the start. Through personal stories, historical accounts, scholarly research, and practical tips, this book presents the life-and-death urgency of literacy, investigates inequity in reading achievement, and illuminates a path to a true, transformative education for all.**

**Ballet Shoes Aug 22 2020 Puffin Classics: the definitive collection of timeless stories, for every child. We three Fossils vow to try to put our name into history books, because it's our very own, and nobody can say it's because of our grandfathers. Pauline, Petrova and Posy Fossil are sisters - with a difference. All three were adopted as babies by Great Uncle Matthew, an eccentric and rich explorer who then disappeared, leaving them in the care of his niece Sylvia. When Sylvia starts to run out of money they hit on an inspired idea: Pauline, Petrova and Posy will attend Madame Fidolia's Children's Academy of Dance and Stage Training - and take to the stage. But it's not long before the Fossils learn that being a star isn't as easy as they first thought... Ballet Shoes is the magical, warm-hearted and much loved classic tale of three very different girls who work hard to master their**

talents.

**Childhood's Favorites and Fairy Stories Nov 05 2021** A comprehensive collection of tales and fairy stories edited by the American essayist, editor, critic, and lecturer. American culture is indebted to him for helping to spread, by his lectures as well as his writings, a love of good reading in the United States.

**Stories for 3 Year Olds Feb 08 2022** Get ready for a busy day in the garden, a pirate adventure and a trip to the top of a mountain - there's so much to discover! Filled with stories from a host of well-loved authors and illustrators, including Julia Hubery (A Little Fairy Magic, That's What Friends Are For) and Caroline Pedler (Who's Afraid of the Big Bad Bunny?, Super-Duper Dudley!). With beautifully illustrated stories and poems throughout, this charming anthology is the perfect gift for all three year olds.

**Includes:** Little Bear's Big Jumper Pirate Piggy Wiggy The Busy, Busy Day It's My Turn! A Friend Like You By the Light of the Silvery Moon

**I Love You a Thousand Ways Mar 09 2022** I Love You a Thousand Ways is the story of one of the most loved, respected, and imitated singer/songwriters in the history of country music, a man whose songs touched the lives of millions of people. Lefty Frizzell's relaxed style of singing proved to be a huge influence on a wide variety of country and pop music stars such as Merle Haggard, Willie Nelson, Roy Orbison, George Jones, John Fogerty, George Strait, and Tim McGraw. In addition to his incredible vocal talents, Lefty was widely recognized for his songwriting skills. He had four songs in the country top ten at the

same time in 1951—a feat that would only be repeated one more time on any chart, when The Beatles had five songs on the pop chart in 1964. Among Lefty's many hits are: "If You've Got the Money, I've Got the Time," "Mom and Dad's Waltz," "The Long Black Veil," and "Saginaw, Michigan." Willie Nelson's 1977 album, *To Lefty From Willie*, was a tribute to Frizzell and consisted entirely of cover versions of Frizzell songs. Fellow Texan Roy Orbison was also a devout fan of Frizzell's sound. In 1988, as a part of the Traveling Wilburys, Orbison chose the name "Lefty Wilbury" in honor of his musical hero. Lefty was inducted into the Songwriters Hall of Fame in 1972 and the Country Music Hall of Fame in 1982. He has a star on the Hollywood Walk of Fame and is a member of the Rockabilly Hall of Fame. *I Love You a Thousand Ways* is a long overdue, beautiful tribute to one of the most underrated musicians of all time, a man whose music continues to influence new generations of musicians and music fans.

[Dancing with Dementia](#) Jul 01 2021 Christine Bryden was a top civil servant and single mother of three children when she was diagnosed with dementia at the age of 46. *Dancing with Dementia* is a vivid account of her experiences of living with dementia, exploring the effects of memory problems, loss of independence, difficulties in communication and the exhaustion of coping with simple tasks. She describes how, with the support of her husband Paul, she continues to lead an active life nevertheless, and explains how professionals and carers can help. This book is a thoughtful exploration of how dementia challenges

our ideas of personal identity and of the process of self-discovery it can bring about.

***The Story Of Jesus* Sep 03 2021** The Story Of Jesus is Ellen Gould White's adaptation of her own work Christ Our Saviour for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary. Some of the chapters are: Chapter 1 - The Birth of Jesus Chapter 2 - Jesus Presented in the Temple Chapter 3 - The Visit of the Wise Men Chapter 4 - The Flight Into Egypt Chapter 5 - Child Life of Jesus Chapter 6 - Days of Conflict Chapter 7 - The Baptism Chapter 8 - The Temptation Chapter 9 - Early Ministry Chapter 10 - Teachings of Christ Chapter 11 - Sabbathkeeping Chapter 12 - The Good Shepherd Chapter 13 - Riding Into Jerusalem Chapter 14 - "Take These Things Hence" Chapter 15 - At the Passover Supper ... and much more ...

**Martha, Jack & Shanco Nov 12 2019** An English version of Martha, Jac, a Sianco. A powerful novel relating the story of two elderly brothers and their sister who are held captive by family circumstances and by a life of hardship on a farm in rural south-west Wales; by a talented young writer. First published in November 2004.

**Picasso's Trousers Mar 17 2020** "First published in Great Britain by Hutchinson, an imprint of Random House Children's Publishers UK"--Title page verso.

**Christmas Stories Oct 04 2021**

***The Idiot* Apr 17 2020** Towards the end of November,

during a thaw, at nine o'clock one morning, a train on the Warsaw and Petersburg railway was approaching the latter city at full speed. The morning was so damp and misty that it was only with great difficulty that the day succeeded in breaking; and it was impossible to distinguish anything more than a few yards away from the carriage windows.

**Stories From the Vinyl Cafe Oct 12 2019** Like an old friend who's turned up in town, Stuart McLean returns with **Stories from the Vinyl Cafe**, his bestselling collection of tales based on his enormously popular Vinyl Cafe radio program. The collection features Canada's much-loved fictional family: Dave, Morley, Stephanie and Sam. **Stories from the Vinyl Cafe** also introduces a host of other wonderfully imagined characters, such as Margaret Dwyer, a suburban housewife who startles herself by shoplifting a pepperoni sausage, and Flora Perriton, who is consumed with thoughts of lost opportunities when an old friend passes away. Then there's Ed, who-overcome by the death of his favourite rock star-embarks on a pilgrimage to New York City to meet the singer's widow. As always, the stories in this rewarding and irreverent collection prove that Stuart McLean is indeed a national treasure.

**The Story of Redemption Nov 24 2020 Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.**

**Zanzibar Tales Told by Natives of the East Coast of Africa  
Oct 24 2020**

**The Story of Atlantis Oct 16 2022 The Story of Atlantis W. Scott-Elliot - FROM the time of the Greeks and the Romans onwards, volumes have been written about the peoples who in their turn have filled the stage of history. Their political institutions, religious beliefs, social and domestic manners and customs have all been analyzed and**

catalogued, and countless works in many languages record for the march of human progress. But little is known of the hundreds of thousands of years which elapsed from the time when the earliest humans started populating the Earth to the time of the Greeks and Romans - a time which bore witness to the rise and fall of innumerable civilizations, but especially to the most fabled ancient civilization of them all Atlantis. This book by W. Scott-Elliot attempts to do exactly this. Any record of the world's progress during the period of the Atlantean race must embrace the history of many nations and register the rise and fall of many civilizations. While it records the rise and the glory it must also record the decadence and ultimate demise of the Atlantean civilization as a whole. But above all, it should also trace any effects that this once great civilization still has on us in the 21st Century. Since the Atlantean craze was started in the late 19th C., many expeditions, searches and surveys have been conducted to find the remains of the fabled Atlantean civilization. To date all have been judged inconclusive. But what is it that keeps the Atlantean legend alive and in our consciousness? Could it be that the human race has a residual memory of this once great civilization? While our knowledge and libraries have grown enormously since the 1890s with vastly improved access, it would be a foolish person that states unequivocally that Atlantis doesn't exist or never existed at all; for to say so would be like believing the medieval Church's claim that world was the centre of the universe. In mankind's mind it was, until it was proven it wasn't.

**The Wonder Book of Bible Stories Dec 26 2020** The Wonder Book of Bible Stories is a collection of Bible stories from both Old and New Testament written for the youth. This book is not meant to replace the Bible but functions as a appetizer. This edition is large font(Arial 16) for the visually impaired.
