The tarot is a pack of 78 playing cards used by mystics and occultists for foretelling the future as well as for giving you a peek into your spiritual and mental pathway. Tarot cards have existed since the mid-15th century in various parts of the European continent. However, at that point it was basically used to play card games, such as French tarot or the Italian tarocchini. The word itself is derived from the Italian word "tarocchi", a word which has no known origin. Some believe that the word is related to the Taro River in northern Italy. Others believe that the word originated from an Arabic word, "turuq", which means "ways". The cards seem to have come from Mamluk, Egypt in the 14th century. At that point in time, the suits were Staves, Cups, Coins and Swords; quite similar to the suits that exist these days. In Europe, the first tarot card deck was created in Milan, Ferrara and Bologna in northern Italy. This was between the years 1430 and 1450. The original purpose of the tarot was to play games. In the 18th century, the tarot began to be used for divination purposes. Manuscripts from the era reveal that there was a specific way of laying out the cards and there was a divinatory meaning associated with each card. The tarot has four suits, but this can vary depending on the region. Jean-Baptiste Alliette, popularly known as Etteilla, was the first to create a tarot deck especially for the purposes of divination. This 78-card deck has two distinct parts. Take advantage of this great opportunity to understand the tarot quickly and easily! TAROT CARD JOURNAL I am always looking for something to write on! How about you? you play poker?" I said back. Enjoy learning everything there is to know about
tarot in this in-depth course. Yes, the poker cards are tarot cards and can be used
to do tarot readings. Tarot explains the secrets within our lives and has been doing
exactly that for hundreds of years. In My First Tarot Course, a Master in
Metaphysics not only leads both novice and experienced tarot card readers
through the meanings behind each of the seventy-eight cards, but also teaches the
most fundamental and basic ideas around the use of any tarot deck. My First
Tarot Course will help tarot card students at all levels, and those who wish to
become tarot practitioners, to understand the different tarot card interpretations,
read cards accurately, and utilize the wisdom of tarot to appreciate the
complexities of life. CLASSIC THREE CARD SPREAD TAROT JOURNAL I

Using his engaging and easy-going style, Elliot Adam teaches you how to move through the shadows and into the light no matter what card you pull. We ' ve all been there: hoping for the best as we draw a card...but oh no, it ' s the Devil! This book shows you that fear won ' t prevail—every card can become something positive. Elliot helps you find the courage to tackle any reading by explaining both upright and reversed meanings in a constructive way. His approach features unique spreads and interpretations, and he encourages you to use your inner wisdom to start an uplifting dialogue with your deck. Fearless Tarot provides everything you need to read tarot without fear.

And in connection with that would be the idea of using cards that will make the said predictions more believable. Tarot cards are considered to be one among the forms of divination. They are being used to measure potential outcomes as well as evaluate influences that could surround a person and an event. Taromancy is the technical term used to describe tarot reading which is a process of divination with the use of tarot cards. It is considered as a subsection of cartomancy which is known as divination with the use of cards in general. Tarot is considered as among the most continuing artifacts from the Renaissance. It first appeared in Northern Italy in the 15th century and so utilised as a card game. From the 18th century, Tarot has already been used being divinatory arts. It has symbolism that could provide insight into feelings and events in life, guidance in making decisions and so not answers rather another perspective along with your situation. In general, Tarot is about the use of intuition in order to gain a better understanding not only of life, feelings, and emotions but also of others that are important in one's life. If you are interested in Tarot cards, Tarot reading, and its meanings as well then you actually need to have a guide. There is a need for you to have enough idea whether where the Tarot comes from, what do it actually means and how possible that the deck of cards could tell anything regarding yourself. There is a need as well that you are familiar with its meanings and interpretations in order to be successful in Tarot reading. You will, therefore, be guided by the topics to be discussed throughout this book. "The three goddesses pictured on the Three of Cups tarot represent the

virtues of Strength, Temperance and Justice and are pictured together raising their cups in a joint toast, connected almost to the point that they appear as one."

Three women: Mandy, a determined young mother, raises her son alone when husband Adam is drafted with the Army; Ginger, a lonely new bride waits for her husband Pete's return from war; and Rachel, single and at the beginning her career, rallies for a new start when a high-pressured job gets the best of her.

Against the backdrop of the Vietnam War, their stories begin in the early 1970s and converge almost thirty years later when a long-kept secret threatens to undo all their lives. Bridging their ties are the eccentric Millie, who mixes up vocabulary words and dabbles in the tarot; Mandy's impersonal family that she strives to transcend; and Oodles and Poppy, Rachel's grandparents, that provide the grounding she seeks. "Three of Cups" is the story of the unshakable bonds of female friendships. You'll find yourself rooting for all three. **TAROT CARD**

Bringing the Tarot to Life shows how to use theater games and acting techniques to gain new insights into the cards. With more than fifty imaginative exercises to be practiced alone or with a group, this book unlocks your intuitions and helps you experience the cards from the inside out. Just as an actor prepares for a new role, you can explore tarot through emotions, memories, role-playing, observation, bodywork, and imagination. This book is the perfect guide for readers who want outside-the-box techniques for relating to the cards from the deepest parts of the soul. Includes a foreword by Rachel Pollack, author of The New Tarot Handbook. Praise:

“ Come explore the drama in the cards! Scott Martin shows you how to breathe life and spirit into your Tarot deck, making the cards come alive. You'll get to know these characters from the inside out. And you ' ll have an outrageous amount of fun while doing it. ” —Mary K. Greer, author of Mary K. Greer's 21 Ways to Read a Tarot Card “ Scott Martin ' s groundbreaking book is a magical mix of tarot and theater. Scott ' s expertise in both these arenas is further enhanced by his love of teaching and his sense of adventure and fun. ” —Ruth Ann & Wald Amberstone, The Tarot School King of Cups, The Lovers, and Death is the culmination of 3 years of work. Inspired by the Tarot, it chronicles from 2020-2022 a transformation of love, relationships, and my understanding of what creates a meaningful connection. While the Tarot can be read and interpreted in many different ways, Neil Robert Davey consulted the cards

whenever he reached a mental rut. A way of connecting to the concepts, releasing emotions, and outdated modes of thought. The book is divided into three acts. Each representing a year of the author's life and transformation. Excerpt from King of Cups, The Lovers, and Death "No one can kiss the way she kisses me no one can look how she looks into my soul no one can be as kind as her So why does my heart not feel whole? No one can talk with me for hours the way that only she could do I can search the world for love and bliss How can I ever find someone like you? I can't imagine a love like this could exist in any other light but all I know is how alone I feel when I go to bed each lonely night So, I'll try to find someone who makes me smile who laughs the way I heard you laugh before it may take forever or maybe never to find you again but with something more" In the Tarot realm, the Eight of Cups portends much: Change. Transition. Solitude. A time to leave it all behind. Danielle Williams seeks peace and an end to her nightmares. A new life in Puerto Rico holds promises: a new home, a return to her roots as an artist...and Sawyer Reed. Sawyer is the perfect man: surf and beach casual during the day, empathetic and passionate at night. But is he her forever man? Danielle is saved from drowning by Sawyer. Not really an accident, she now must let go of her old life and the death of her dream. Stronger now, she takes Sawyer's hand, but who is the mysterious man with the wing tattoo? *** In the Major Arcana, The Hanged Man symbolizes sacrifice, surrender-and finally, rebirth. Danielle has left behind the nightmares, the longing for her old love, and fears of a new love. Will Sawyer be her rebirth? Will the mysterious man bring sorrow? Or will she return to her old love Xavier? Coming next summer: The Hanged Man, Book 3 in The Tarot Trilogy. Featuring a foreword by award-winning Tarot author Barbara Moore After learning Tarot card meanings and basic spreads, the next step for beginners is fitting all these pieces into a cohesive, insightful reading. Josephine Ellershaw, the author of the international bestseller Easy Tarot, presents an easy, effective, and enjoyable way for anyone to learn to do amazingly accurate, helpful Tarot readings. Ellershaw illuminates the Tarot reading process by inviting you to virtually sit in on her readings with ten individuals. Card by card, spread by spread, she reveals her thought process behind each interpretation and decision, and tells how to make the connections that add clarity and depth to a reading. These compelling and memorable accounts of ten very different readings, along with follow-up documentation of

how relevant each reading proved to be, result in a powerful and completely unique approach to learning to do Tarot readings. Easy Tarot Reading also includes tips on the following topics: —Ethical guidelines and responsibility —Conducting email and telephone readings —Delivering bad news —Seeker involvement and icebreakers —Frequency of consultations —Indicators of success, secrets, and skullduggery Praise: "A truly unique book . . . This engaging and honest behind-the-scenes glimpse into the world of Tarot will delight and inspire both Tarot enthusiasts and curious newcomers alike."—Lisa Finander, author of Disneyastrology "I absolutely adore this book . . . Ellershaw presents the 'story' that a reading really is in fine fashion!"—Bonnie Cehovet, Aeclectic Tarot "If you've never read cards before, this is the book to start with. If you're already reading cards, this is the book that will help you fine tune your skills."—Anna Jedrzewski, TarotWise.com

Beautiful image of the Ten of Cups from the Rider Waite Tarot deck on the cover with inspiring quotes about happy home & family on the back cover. The first three pages include the significance of the image, meaning of the card in its upright and reversed positions, invocation and affirmations. The rest of the journal is left blank for you to fill in about your goals and desires. **Description:** The Minor Arcana Tarot Journals are based on the beautiful minor arcana artwork from Pamela Colman Smith's Rider Waite Tarot Cards. The word 'arcana' means secret, so the minor arcana cards can hold the secret to the day-to-

day actions you can take to enhance your lives. The journals include the significance of the image, meaning in its upright and reversed positions as well as invocation, affirmations and quotes to start implementing positive changes in your life. The rest of the journal is left blank for you to write about your goals and desires. In addition, the journal can be used to record your oracle and tarot card readings, spell work, dreams, meditation, insights, messages, notes...The Tarot Journal: Happy Home & Family/ Ten of Cups also makes a thoughtful gift for someone you know who wishes to create more harmony and happiness at home.

Fortune. Excerpt: Ace of Cups is a card used in Latin suited playing cards which include tarot decks. It is part of what tarot card readers call the "Minor Arcana" Tarot cards are used throughout much of Europe to play Tarot card games. In English-speaking countries, where the games are largely unknown, Tarot cards came to be utilized primarily for divinatory purposes. The Ace of Cups Tarot card's meaning is that of joy and inner peace from friends and family. The 5 streams pouring out of the cup represent the 5 senses: sight, smell, hearing, taste and touch. The Ace of Cups is a symbol of possibility in the area of deep feelings, intimacy, attunement, compassion and love. In readings, it shows that a seed of emotional awareness has been planted in your life although you may not yet recognize it. When the seed sprouts, it could take almost any form. It might be an attraction, strong feeling, intuitive knowing, or sympathetic reaction. On the outside, it could be an offer, gift, opportunity, encounter or synchronistic event. When you see this Ace, ...
