web bernard bass developed the

transformational leadership theory in 1985 as a
way to describe the psychological mechanisms
that are used by leaders his theory is an
enhancement to the original transformational
leadership theory that was first proposed by
james burns in 1978 bass made this contribution
to the theory because he was interested in web
burns was a combatant in world war ii and
realized that when people talked of leadership
they emphasized the qualities of the officers but
rarely paid attention to the soldiers however he
saw that the most effective fighting units were
those where in the absence of the officers
leadership was found within the ranks web about
the author 1978 james macgregor burns was
born in melrose massachusetts on august 3 1918
after graduating from williams college he went
to washington and worked as a congressional
aide during world war ii he served as an army
combat historian in the pacific and received a
bronze star he received a ph d from harvard
university web james burns is a senior director
