Match: An Opposites Attract Romance (Clover Park, Book 12) Happiness: Secrets for Attracting Greater Wealth and Romance Into Your Life Finally Fell Pass Me By Fight Like a Girl Quantum Love The Summer of Sebastian One Step Further Getting the Love You Want Insert Happy Ending Critical Thinking About Sex, Love, and Romance in the Mass Media

After an unfortunate incident in Las Vegas, Canadian Olympic swimmer, Sebastian Clarke, is on a mission to repair his damaged reputation. Working as a Sports Ambassador in England for the summer seems to be the right way to get his life back on track... until disgraced computer-geek, Helen Hobbs, stumbles half-drunk into this life. Helen is far from the epitome of sophistication Sebastian really needs to be seen with, but locked into a fake relationship together, is there more to this unruly woman than meets the eye? I wanted to enable the greatest number of people to access wealth and abundance that are part of my daily life. I wanted to enable you to have the tools in hand to find the job you dream of and feel successful in your professional life! I, too, struggled once to find a soul mate. Despite the fact that I thought I was nicer than average and even smarter, I remained alone without love. I realized that all these attributes had nothing to do with the attraction of the desired person. I have made many mistakes when it came to meeting the man of my dreams. Like many of you, I lacked self-esteem and self-love. I did not know what I really wanted to have

in a relationship. Although I claimed loud that I wanted to live in a relationship, I did not realize that I kept some blockages deep within me. I did not understand why some couples managed to form easily while I could not find a partner. My relationships brought me a lot of pain and I envied couples who seemed happy. I did not know how to communicate my desires to the other person because I did not know how to master my emotions. I often kept my anger deeply rooted in me until I exploded and hurt the other deeply. This way of acting quickly led to the end of the relationship. Instead of openly expressing my desires and my emotions, I used manipulative means (without even realizing it), some passive-aggressive methods to go where I wanted, which was destroying the confidence of my partner . I realized that I was not alone in making these mistakes that prevent the development of a beautiful lasting relationship. By dint of extensive reading on the subject of research on the law of attraction, on the accumulation of relevant information on the keys to success, I have come to understand and use my method to find me the ideal man. I know you can too. I thought it was too late for me, at my age, all the best were taken and that I had missed the train. It is not like that. When I opened my heart and practiced my method, I began to meet more interesting potential partners than I'd ever imagined. This book is not meant to explain the rules of seduction between men and women, or how to handle one or the other to have access to their heart. This book was created to help you get you the person of your dreams, to open your heart without fear of being hurt, which will cause the opening of the other

person's heart as well. Love is much simpler than you think. This is acting out of love, with love and for love. Unfortunately, we have been programmed to think about our feelings, thinking about how we need to love, and fear abandonment. With my method, you will learn how to free yourself from these fears. You will develop enough self-confidence and self-esteem to be able to reveal your vulnerability. Thus opening you, the other will be increased to do the same and love yourself. As a professional coach, I wanted to add my most successful coaching methods to offer you the best system to use the Law of Attraction for attracting the perfect partner. In this book, you will learn how to prepare yourself physically through opening your heart and root chakras. You will learn how to ask the Universe for what you really, really want in a soul mate. You will be able to follow easy step-by-step instructions on how to prepare your house and bedroom for love and romance, through Feng Shui. This book will show you how to attract the best person in your life, through a Chakra Meditation, and you will learn how to get your subconscious mind to support your heart's desire. This book will show you new possibilities regarding love and romance. You will be guided in describing your ideal lover, how to use the Universal Law of Attraction and how to recognize this person when he/she shows up. You will learn how to open yourself up to all aspects of inviting love and romance into your life. If you are in an existing relationship, this book will give you a different outlook, provide you with ways to re-energize your relationship, and how to make love and romance fun again. Includes

many ideas to re-ignite the flames! This book will show you how to prepare yourself physically, mentally, and spiritually to attract the ideal person into your life or how to put back the love and romance into an existing relationship. Step out of your comfort zone and try something new! PLEASE READ DESCRIPTION ON KINDLE PAGE. PAPERBACK DESCRIPTION NOT WORKING. Her best worst mistake? Carter Haywood lives for the weekends—specifically the one

weekend every month when he escapes real life, with all the pressures of work and caring for his special needs brother, to do whatever he wants, with whomever he wants. Sex is only a release; he's not looking for love, a relationship or even a second night with the same man, until he walks into a bar and finds someone who makes leaving it all behind impossible. After one incredibly passionate encounter, he breaks his rule and goes back. He needs to see this man again. And again. Damaged goods. That's all Reed Kincaide sees and hears when he looks in the mirror. Anxiety and ADHD define his life and he's learned to keep people at a distance, never letting them get close enough to know who he really is. When Carter proposes a monthly weekend of sex without strings, it's the ideal arrangement for him. Or so he thinks. Every month, leaving Carter proves to be more and more difficult. It's not only the intensely hot sex they have in their hotel suite; Reed wonders about the secret life Carter refuses to share. As months pass and they grow closer Reed finds himself falling for Carter, but he needs more than hurried hugs and farewell kisses. He wants it all. Letting Reed into his carefully constructed family life could upset Carter's whole world, but it might be the risk he's finally willing to take, if it means keeping Reed. Once bodies are engaged, the heart is sure to follow, and Carter and Reed discover that holding on to each other is the first step in letting go of the past. (No euphemism—she really does just look at rocks.) He's the grumpy, unbelievably handsome rancher who has the best rocks to study in the area. (What on earth would rocks be a euphemism for?) After months of resisting the urge, I finally haul her over my shoulder to escort her off my land. (Really, why I haven't done it before now is beyond me.) After months of being clueless, I finally notice that his land isn't the only thing hard around me. (Really, how it escaped my attention before now is beyond me.) She's so damn responsive. He's so brawny and burly. The next time she sneaks in, I'm ready for her. The next time I sneak in, he shocks the heck out of me. To be fair, the woman is utterly injury-prone. To be clear, the man has apparently lost his ever-loving mind. I just want her to stay safe and out of trouble for a change. So...I cuff her to the bed. For a few hours, tops, while I take care of some ranch things that can't

wait. And now, I'm kind of curious how she's going to react. His constant alpha protectiveness is, yes, very sweet, but seriously? I should be more outraged by this. Really, I should be. But...I'm kind of curious what's going to happen next. \* \* \* \* \* The HARD, FAST, AND FOREVER Series - Book 1: Bare Ass in Love (Jason & Summer) - FREE for a limited time - Book 2: Hard Ass in Love (Logan & Nicole) - Book 3: Gruff Ass in Love (Cade & Katelyn) Stop the wedding! Thankfully, I've learned not to let that stand in my way. I know who I am and I get what I want. Which is exactly what I did when I ran into Ryan John in a dark hallway. He's carved perfection teeming with good ole boy charm, and I ached to indulge in our sizzling attraction. I knew I was playing with
