Founded in 1982, the event is sponsored by the American Library Association, American Booksellers Association, American Booksellers Foundation for Free Expression, American Society of Journalists and Authors, and the Association of American Publishers. The activities that champion the freedom to read during Banned Books Week include displays of banned or challenged books and read-outs in communities across the nation. In 2012, the American Library Association marked the 30th anniversary of Banned Books Week by asking libraries in every state
